MEDIA BIO

Dipal Shah is an Internationally acclaimed Mindset Expert, Global Speaker, and Spiritual Mentor, celebrated by clients across the globe who refer to her as "The Body Whisperer." As a recognized expert in the field of Energy Medicine, Dipal is the creator of the Quantum Body Awakening Technique. Her globally taught course teaches individuals how to become the master of their own health and wellbeing. Dipal has helped thousands in over 92 countries break free from chronic health problems in conjunction with or where western medicine has failed. By identifying the root cause of their symptoms and increasing the life force energy flow, Dipal has helped her clients create powerful and profound shifts inside and out, allowing them to find more joy and inspiration in all aspects of their life. Dipal has worked with celebrities, health care practitioners, thought leaders, and many more.

In her mission to cultivate connectivity within the industry, Dipal launched the online healing platform, The Global Gathering which brings together 6 healers, singers, meditators, and spiritual activists from all around the world to provide service to humanity each month.

TESTIMONIALS

Dipal's teachings are nothing short of miraculous. Everything I have learned from her has helped my personal growth, spiritual growth and within my career as a healer. She is an inspiration to all that come across her work. A.J

We have worked with Dipal for over 4 years now on our summits and she is an amazing speaker and knows how to connect with the audience. She is confident, engaging, and passionate about the topics she offers to our community. Gretchen

Dipal is observing the body with her intuition. Gently and easily she disassembled generational patterns and installed mutual acceptance and harmony. I felt lighter and happier! ~Arati Benveniste
